Due to not having enough members for a quorum there was no meeting of record.

Jesse Barton was present and there was informal discussion on the upcoming Polar Plunge, and all felt that due to the icy conditions on the beach and no relief in sight that the event would be postponed to March 16, when the weather should be much better.

Debbie Armeno did mention that she attended the Stanhope Rec Advisory Committee meeting on Feb 5 to discuss Miss Byram/Miss Stanhope to combine and use the HS for this event. Debbie spoke on booking the HS for June 19. Lynn agreed to help with this event. Ginny Lepore was asked to Judge again but declined, we will get a judge that represents both Municipalities that will be partial.
